Delta Water Supply Project Site Tour

What: The Stockton City Council will tour the Delta Water Supply Project construction site. This tour will be posted as a Special Meeting of the Stockton City Council, as all Councilmembers are scheduled to attend.

Where: Delta Water Supply Project, 11373 N. Lower Sacramento Road, Lodi

When: Tuesday, September 20, 2011.

The tour will begin at 4:00p and conclude by 6:00p.

Who: A presentation will be made by City of Stockton Municipal Utilities Department project team members with representatives present from the following companies: CDM Constructors, Inc., - water treatment plant/pipeline design and construction; Preston Pipelines - intake and pump station construction; and Carollo Engineers - intake and pump station construction manager. Presentations will be followed by a safety orientation, a site tour and a question and answer session. Members of the media are welcome and encouraged to attend. Members of the public may also attend.

Safety Instructions

This is an active construction site. All those working on or visiting the site must adhere to the following safety rules: Long pants and closed-toe shoes are required, and boots are preferred; no sleeveless shirts, tank tops, skirts, shorts, sandals, flip flops or high-heeled shoes are permitted on the construction site; and safety glasses, safety vests and hard hats will be provided and are required to be worn. Supplies of safety equipment available for the tour are limited.

Directions

For safety reasons, traffic is not permitted to turn left into the construction site from northbound Lower Sacramento Road.

From I-5, take Eight Mile Road east to Davis Road. Turn left to proceed north on Davis Road to Armstrong Road; turn right to proceed east on Armstrong Road; turn right to proceed south on Lower Sacramento Road; after passing Mettler Road, turn right into the construction site entrance.

From SR-99, take Armstrong Road west to Lower Sacramento Road; turn left to proceed south on Lower Sacramento Road; after passing Mettler Road, turn right into the construction site entrance.
